Dear Hiring Manager,

I'm reaching out to express my interest in opportunities within your team. I hold a degree in Multimedia Film and Video from Florida Atlantic University University, and I've built a strong foundation working behind the camera, where I'm most comfortable and motivated.

My background is rooted in both filmmaking and photography, and I've spent a lot of time developing my eye for detail, composition, and storytelling. I'm proficient in the Adobe Creative Suite, especially Premiere Pro and Lightroom, and I regularly edit video projects from start to finish. Whether it's shooting, editing, or refining the final product, I enjoy being involved in the full creative process.

I'm someone who's adaptable and open to different kinds of work. I take pride in being reliable, learning quickly, and bringing energy to whatever project I'm part of. Most importantly, I genuinely care about the work I do and the people I collaborate with. I'd appreciate the opportunity to contribute and grow within your team. Thank you for your time and consideration.

Sincerely,

Frances Landron
